This game is terrible, I recommend buying it so you can see how terrible it is, it's actually pretty impressive.. BEST GAME EVER!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! \*refunded 9 min later\*. Music is repetitive Gameplay is boring AI is awful, pedestrians falling over and just walking in the road It's bad.. BEST GAME EVER!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! \*refunded 9 min later\*. Recommended if you have money and buying a simple game.. You can't save the game nor save expenses from people who donate the homeless, in this game what you can only do is walk around the city and that's all it's more like walking simulator.and no food,water or matches found in the dusk bin no matter how hard you find I still give a good review because I hope developer can improves this game.. i thinks way to shatterry and laggy. BEST GAME EVER!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! \*refunded 9 min later\*. This game is terrible, I recommend buying it so you can see how terrible it is, it's actually pretty impressive.
