
The 37 Best Websites to Learn Something New

It's hard to imagine how much easier it can possibly be. Honestly, what are you waiting for? It seems like the first step towards learning anything new would be to just do it, but that is not always true. Sure, you could google all night for some interesting topic on your own time and keep learning on your own terms. But too often, people find themselves spending hours of their life watching YouTube videos or reading blog posts before ever making a single attempt at something new. This list is here to help you take that first step. Here are 37 of the absolute best places online that are great for learning something new. You can find anything from website development tutorials to photography lessons, writing courses, and even free college courses online! Whatever it is you've always wanted to try, this list will have you feeling confident in your abilities before too long. Why not start this year off by doing something useful? It's never too late to try something new!

MyBrotherWasSoStrong

It's one thing to teach someone how to do something, but it's another thing entirely when your passion for what you're talking about shines through. If you have a passion for a certain subject, it's almost impossible not to teach it well. That is exactly what My Brother Was So Strong is- a story of passion, told through sound and music. This film revolves around the 1980s UK punk scene and a three-piece band that started to end up on the covers of national magazines. If you're into the punk rock scene or you love stories about bands breaking out from nowhere, this documentary should be your next favorite thing!

Who Killed Hammarskjöld?

There are no easy answers when it comes to this mystery. If you've ever read a mystery novel- anything from Agatha Christie to Sherlock Holmes- then you know that at some point there's usually a conclusion. Even for shows like Sherlock and the like, the end of the episode is often a conclusion. But not all mysteries have answers. There are mysteries that continue to baffle us today, and we may never know what happened. That makes them perfect for any documentary series, but also easy to forget about. That is why Who Killed Hammarskjöld? is so important. It will keep you interested in the world of hard-hitting documentary shows, without the hard-hitting answers.

Why I Cross

Why can't everybody be happy all the time? What's so wrong with being negative about something? This question hits close to home for many of us. A few months ago, after watching a documentary about the emotional side of crossword solving solvers, I couldn't help but wonder what would have happened if one person had just kept on being negative every time he didn't solve a puzzle.
